Ova publikacija izdana je u sklopu projekta "Misli savjesno razvijaj se održivo - odgoj i obrazovanje za ljudska prava, odgovornost i aktivno građanstvo" koji financira Ministarstvo znanosti i obrazovanja Republike Hrvatske. Stajališta izražena u publikaciji su isključiva odgovornost autora i ne moraju nužno odražavati mišljenja Ministarstva znanosti i obrazovanja Republike Hrvatske. Priručnik je nastao u suradnji Kuće ljudskih prava Zagreb i Škole za odgoj i obrazovanje - Pula.

Niti jedan dio ove publikacije ne smije se reproducirati ili distribuirati u komercijalne svrhe u bilo kojem obliku ili bilo kojim sredstvom. Reproduciranje materijala i sadržaja iz ove publikacije je dopušteno samo u nekomercijalne obrazovne svrhe i pod uvjetom da je izvor pravilno citiran. U izradi sadržaja korišten je: Kompasito - priručnik o odgoju i obrazovanju djece za ljudska prava, Vijeće Europe, 2007/ Europski dom Slavonski Brod, 2014. dostupno na: <http://europski-dom-sb.hr/wp-content/uploads/kompasito-tisak.pdf>

Priručnik je nastao uz pomoć alata za izradu slikovnih komunikacijskih simbola, a namijenjen je osobama s višestrukim teškoćama, posebice onima koji nisu ovladali čitanjem i pisanjem. Osobe s višestrukim teškoćama, koje nisu ovladale čitanjem i pisanjem, nerijetko su lišene informacija iz svakodnevnog života. Ovaj slikovni priručnik, koji pokriva područje ljudskih prava, od velikog je značaja za informiranje osoba s višestrukim teškoćama o vrijednostima i načelima ljudskih prava. Vjerujemo da će priručnik primjenu pronaći i šire.
